

neodisher[®] BioClean

DE/038/053

Universal detergent for automated dishwashing - non-hazardous formula

Liquid concentrate

Fields of application:

- Cleaning dishes, glasses, cutlery, trays and utensils in professional dishwashers in all food processing areas such as professional kitchens, butcher's shops and bakeries as well as hospitals and old people's homes and nursing homes

Performance spectrum:

- Effectively removes all kinds of food residues
- Excellent material compatibility for cleaning items made of porcelain, aluminium, silver, stainless steel and synthetic materials
- neodisher BioClean is certified with the EU Ecolabel. Its cleaning performance and its environmentally friendly properties comply with European regulations in regard to ecological demands to ingredients and packaging.

Special properties:

- Very user-friendly due to non-hazardous formula, neither caustic nor irritating
- Optimal indoor climate in comparison with standard highly alkaline detergents due to special odourless, active chlorine-free and enzyme-free formula
- Forms neutral and AOX¹-free waste water

¹ adsorbable organic halogen compounds.

Better for the environment...

- Reduced impact on aquatic ecosystems
- Limited hazardous substances
- Performance tested

...better for you.

Application and dosage:

neodisher BioClean can be used in professional dishwashers. The dosing amount is 2- 5 ml/l depending on degree of soiling and water hardness. Quantity-controlled dosing devices should be used. Dosing recommendations are to be observed.

| | Lightly soiled items | Heavily soiled items |
|-------------------------------------|----------------------|----------------------|
| For soft water (0 - 6 °d H) | 2 ml/l | 3 ml/l |
| For medium hard water (7 - 13 °d H) | 3 - 4 ml/l | 4 ml/l |
| For hard water (>14 °d H) | 4 - 5 ml/l | 5 ml/l |

By using this EU eco-labelled product you contribute to the reduction of water pollution and waste when observing the dosage information.

For achieving optimum cleaning results the use of softened or deionised water is recommended.

The required temperature in the main washing tank has to meet the demands of the local conditions and corresponding laws, regulations and guidelines, such as e.g. DIN 10510 to 10512 and DIN 10522.

The temperature in the main washing tank should be at least 60 °C to ensure sufficient hygiene safety.

Notes on application:

- For professional use only
- The neodisher BioClean solution has to be rinsed off completely with water
- Rinse out dosing system including suction hose with water before changing product
- The instructions given by the manufacturer of the dishwasher are to be observed
- For an economical and controlled dosing we recommend using automatic dosing units. Please contact us.
- Do not mix with other products

Hazard and precautionary statements:

For safety information see EC safety data sheets. These are available e.g. at www.drweigert.com under the category "Service/Downloads".

If applied according to the instructions for use the product is safe according to the appropriate guidelines for food processing.

Dispose only when container is empty and closed. For disposal of product residues, refer to the Safety Data Sheet

Technical data:

| | |
|------------------|--|
| pH-range | approx. 9.4 - 9.6 (2 - 5 ml/l, determined in deionised water, 20 °C) |
| Viscosity | < 50 mPa s (concentrate, 20 °C) |
| Density | 1.1 g/cm ³ (20 °C) |
| Titration factor | 1.2 according to special neodisher titration instructions with Tashiro indicator |

MB 3176/3-2
Date of issue: 01/2019

Ingredients:

Ingredients according to Regulation (EC) No 648/2004 on detergents:
< 5 % phosphonates, polycarboxylates

Storage information:

Always store at a temperature between 0 °C and 30 °C.
Usable for 3 years when stored as recommended.
For expiry date refer to the stamp mark on the label behind the hourglass symbol .

With the above information, to our current knowledge we describe our product regarding safety necessities, but we do not involve any quality description or promise certain properties.
