

neouniversal®

All-purpose detergent

Liquid concentrate

Fields of application:

- Manual cleaning of floors and other waterproof surfaces e.g. for industrial cleaning, food production areas and laboratories.
- Also suitable for the manual cleaning of dishes and general cleaning in professional kitchens

Performance spectrum:

- Universally applicable
- Removes slight soiling such as fat and food residues as well as oils and chemical deposits in laboratories
- Economical due to the concentrated formulation
- Good material compatibility

Special properties:

- Concentrated formulation with special surfactants
- With emulsifiers and dispersants for optimum cleaning performance
- Odour-neutral

Application and dosage:

Manual cleaning (wiping):
Use 1 - 5 ml/ l neouniversal, depending on degree of soiling.

Notes on application:

- For professional use only
- Surfaces that come into contact with food must be rinsed with drinking water after each cleaning and disinfection to remove residues.
- For economical and controlled dosing we recommend using dosing ancillaries such as automatic dosing devices, canister pumps and dosing accessories. Please contact us.
- Do not mix with other products.
- Storage and transport is only permitted in original packaging.

Technical data:

pH- range	7.0 – 7.7 (1 - 5 ml/l, determined in deionised water, 20 °C)
Density	1.0 g/cm ³ (20 °C)
Viscosity	< 50 mPa·s (concentrate, 20 °C)

Ingredients:

Ingredients according to Regulation (EC) No 648/2004 on detergents:

< 5 % phosphonates, anionic surfactants
5 - 15 % non-ionic surfactants

Storage information:

Store in a cool and frost-free place. Always store at a temperature between 0 and 30 °C.

Hazard and precautionary statements:

For safety information see EC Safety Data Sheets. These are available at www.drweigert.com under the category "Service/Downloads".

If applied according to the instructions for use the product is safe according to the appropriate guidelines for food processing.

Dispose only when container is empty and closed. For disposal of product residues, refer to the Safety Data Sheet.
