#### weigoman parfümfrei Print date: 20.01.23 Replaces Version: 1 / GB Date revised: 26.02.2020 Version: 2 / GB sources. No smoking. P261 Avoid breathing dust/fume/gas/mist/vapours/spray. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P337+P313 If eye irritation persists: Get medical advice/attention. Dispose only when container is empty and closed. For disposal of product residues, refer to safety data sheet. Hazardous component(s) to be indicated on label (Regulation (EC) No. 1272/2008) contains propan-1-ol: propan-2-ol 2.3. Other hazards No special hazards have to be mentioned. The product contains no PBT substances. The product contains no vPvB substances. This product does not contain a substance that has endocrine disrupting properties with respect to human. The product does not contain a substance that has endocrine disrupting properties with respect to non-target organisms. **SECTION 3: Composition/information on ingredients** 3.2. Mixtures Hazardous ingredients propan-1-ol CAS No. 71-23-8 EINECS no. 200-746-9 Registration no. 01-2119486761-29 Concentration >= 25 % 10 < Classification (Regulation (EC) No. 1272/2008) Flam. Liq. 2 H225 Eve Dam. 1 H318 STOT SE 3 H336 propan-2-ol CAS No. 67-63-0 EINECS no. 200-661-7 Registration no. 01-2119457558-25 Concentration 50 % >= Classification (Regulation (EC) No. 1272/2008) Flam. Lig. 2 H225 Eve Irrit. 2 H319 STOT SE 3 H336 Other information Complete text of hazard statements in chapter 16 SECTION 4: First aid measures 4.1. Description of first aid measures **General information** Remove contaminated clothing immediately and dispose of safely. In case of persistent symptoms consult doctor. After inhalation Ensure supply of fresh air. Seek medical advice immediately. After skin contact

Print date: 20.01.23

## weigoman parfümfrei Date revised: 26.02.2020 Version: 2 / GB Replaces Version: 1 / GB Wash off immediately with soap and water. Seek medical advice immediately. After eve contact Separate eyelids, wash the eyes thoroughly with water (15 min.). Seek medical advice immediately. After indestion Call in a physician immediately and show him the Safety Data Sheet. Adhere to personal protective measures when giving first aid First aider: Pay attention to self-protection! 4.2. Most important symptoms and effects, both acute and delayed Until now no symptoms known so far. 4.3. Indication of any immediate medical attention and special treatment needed Hints for the physician / hazards In the case of swallowing with subsequent vomiting, aspiration of the lungs can occur which can lead to chemical pneumonia or asphyxiation. **SECTION 5: Firefighting measures** 5.1. Extinguishing media Suitable extinguishing media Dry powder, Foam, Carbon dioxide, Water spray jet Non suitable extinguishing media Full water jet 5.2. Special hazards arising from the substance or mixture In case of combustion evolution of dangerous gases possible. 5.3. Advice for firefighters Special protective equipment for fire-fighting Do not inhale explosion and/or combustion gases. In case of combustion use a suitable breathing apparatus. **SECTION 6: Accidental release measures** 6.1. Personal precautions, protective equipment and emergency procedures Keep away sources of ignition. Ensure adequate ventilation. Use personal protective clothing. 6.2. Environmental precautions Prevent spread over a wide area (e.g. by containment or oil barriers). Do not discharge into the drains/surface waters/groundwater. Do not discharge into the subsoil/soil. 6.3. Methods and material for containment and cleaning up Pick up rest with suitable absorbent materials. Containers in which spilt substance has been collected must be adequately labelled. Dispose of as prescribed. 6.4. Reference to other sections Refer to protective measures listed in Sections 7 and 8. SECTION 7: Handling and storage 7.1. Precautions for safe handling Advice on safe handling Provide good ventilation of working area (local exhaust ventilation if necessary). Avoid formation of aerosols. Keep container tightly closed. Page 3(11) 2 / GB- 800891-001-0
